4. REFUND POLICY/STUDENT'S RIGHT TO CANCEL

Refund is in accordance with Florida Department of Education Rule 6E-1.0032(6), F.A.C.

A notice of cancellation shall be in writing, and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Any student who drops or cancels registration prior to the program beginning will be refunded any tuition paid, less a nonrefundable application fee. If you drop or cancel the program prior to the program start date, please contact the Wind Academy by Siemens Gamesa Admissions Department. If on or after your program start date, you must contact the Admissions Manager to drop or cancel. Any student dropping the program after it begins will be refunded a pro-rata amount, through the first 50% of the program. Any student dropping after 50% of the program has been completed will not be refunded any portion of the program tuition. All refunds due will be paid within thirty days of the drop date or cancellation. **Each student who drops will be given a comparison of drop calculations from ALL regulatory bodies that Wind Academy by Siemens Gamesa is approved through. Wind Academy by Siemens Gamesa will always use the drop calculation that is most favorable for the student.** All refunds due will be paid within thirty days (30) days of the drop date or cancellation. Fees charged to a credit card will be refunded as credit to your account. If you have received federal student financing funds, you are entitled to a refund of moneys not paid from

5. TERMS and CONDITIONS

Training Provided: Training provided shall be complete and meet industry requirements; however, it is to be used for informational purposes only. Wind Academy by Siemens Gamesa shall at no time be held liable for damages resulting in the improper use of equipment or lack of knowledge by personnel who have attended training programs.

Waiver of claim, release from liability and Assumption of Risk: Student is advised that portions of this training are physical in nature and include climbing and hanging from towers exceeding thirty feet (30') in height, dealing with and working with high voltage electrical and hydraulic power and mechanical tools. The nature of the training and the work involved can be extremely dangerous if safety protocols are not followed and involves risks of falling or other accidents that can cause significant physical and / or emotional injury including paralysis or even death. Student further acknowledges that the dangerous nature of this work can cause such injury or death if safety protocols are not followed as the activity is very unforgiving of errors in judgment. For this reason, the student releases and holds harmless Wind Academy by Siemens Gamesa, its parent companies, if any, agents, employees, associates and affiliates of all liability for any and all damages for any injury suffered by student (including death) and assumes all of the known or unknown risks of any injury, physical or emotional, or death for any damages, including, but not limited to, costs of medical and psychological care as well as pain and suffering, even if such injury occurred as a result of ordinary negligence on the part of anyone associated with Wind Academy by Siemens Gamesa. Further, by initialing this paragraph, student acknowledges that the student is not aware of any physical or mental condition that would prevent him or her from participating in the types of hazardous activities involved in this training. It is the responsibility of the student to continually evaluate his or her physical readiness for the physical activities involved in this training and advise his or her instructor of any impediment that may in any way limit the ability of the student to safely participate in the training. This waiver of claim, release from liability and assumption of risk is binding on the student, his or her heirs, assigns and successors in interests.
